

Adding Preconference Sessions to Your Registration

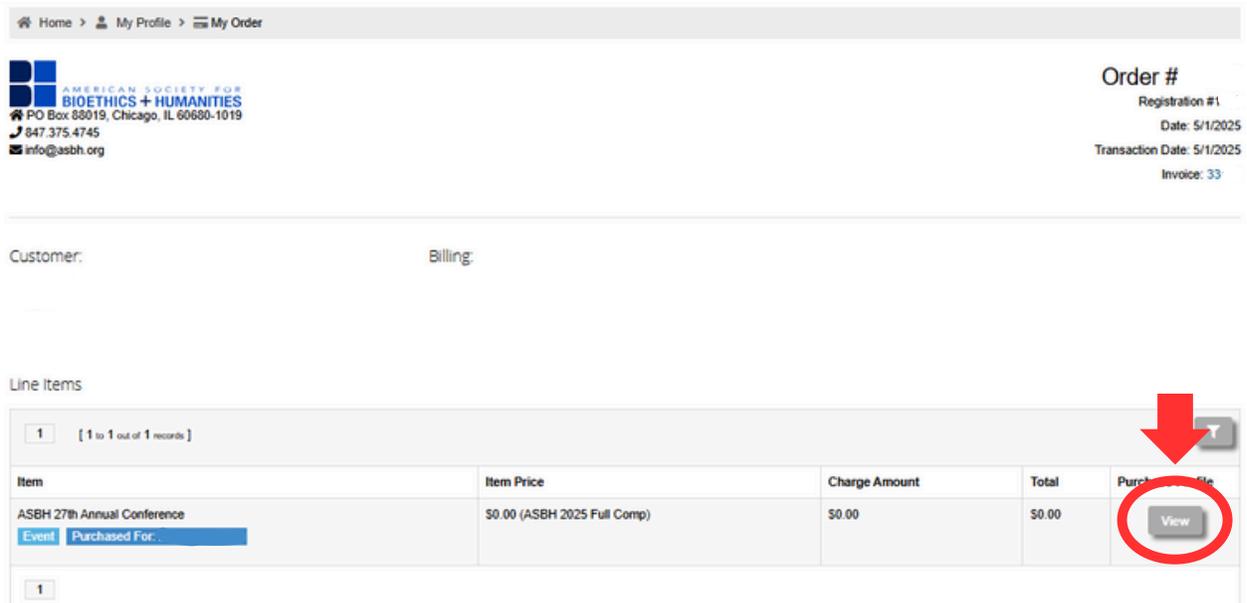

1. From your profile, click “Purchases.”

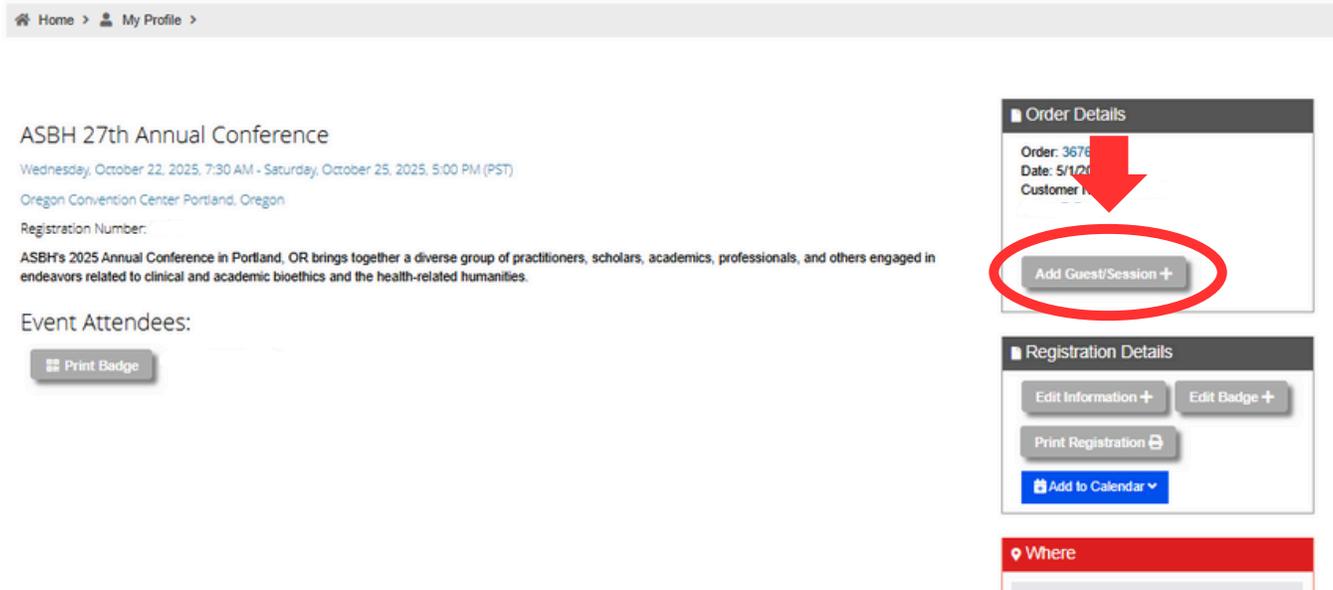

2. Click “View” on your conference registration purchase.

3. Click “View” on the order receipt.

4. Click “Add Guest/Session” on the order page.

5. Add a guest attendee if desired, or advance to the “Sessions” page of the registration process. Continue through the registration workflow until you reach the final confirmation page.
